

# INTELLIGENE® RANGE

SENSITIVE SKIN / HOMEOSTASIS

  
**Phenix®**  
en Provence

“ BEAUTY OF THE FUTURE ”

  
**Sollice**  
BIOTECH

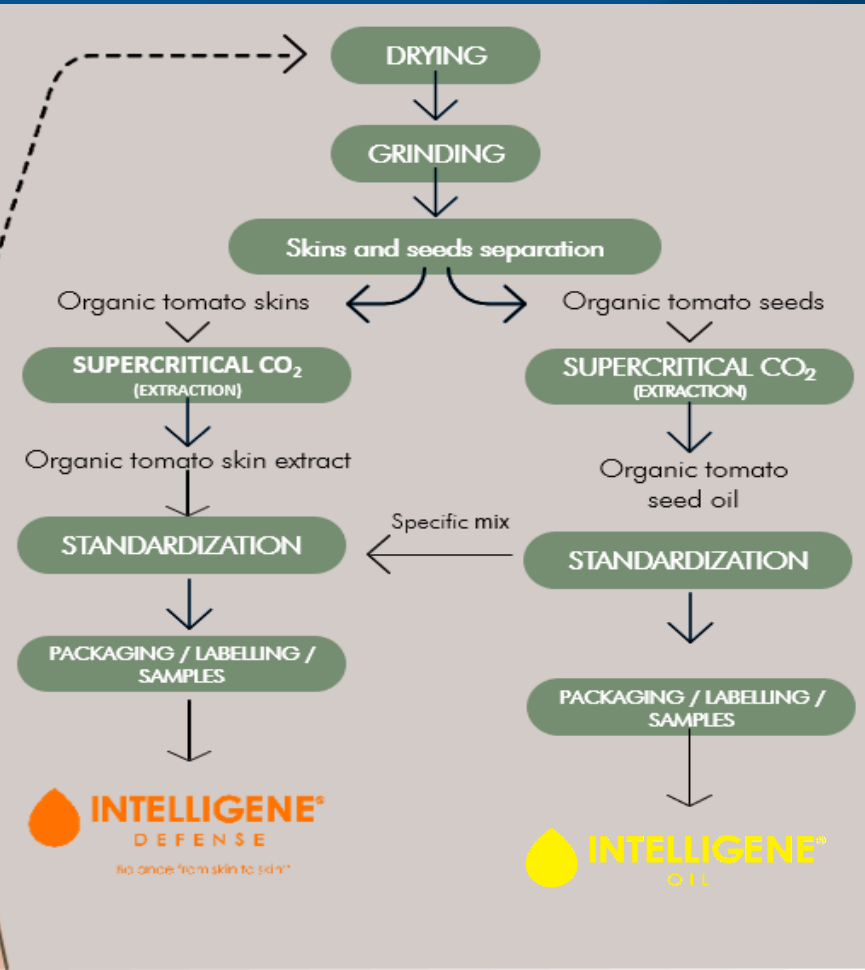

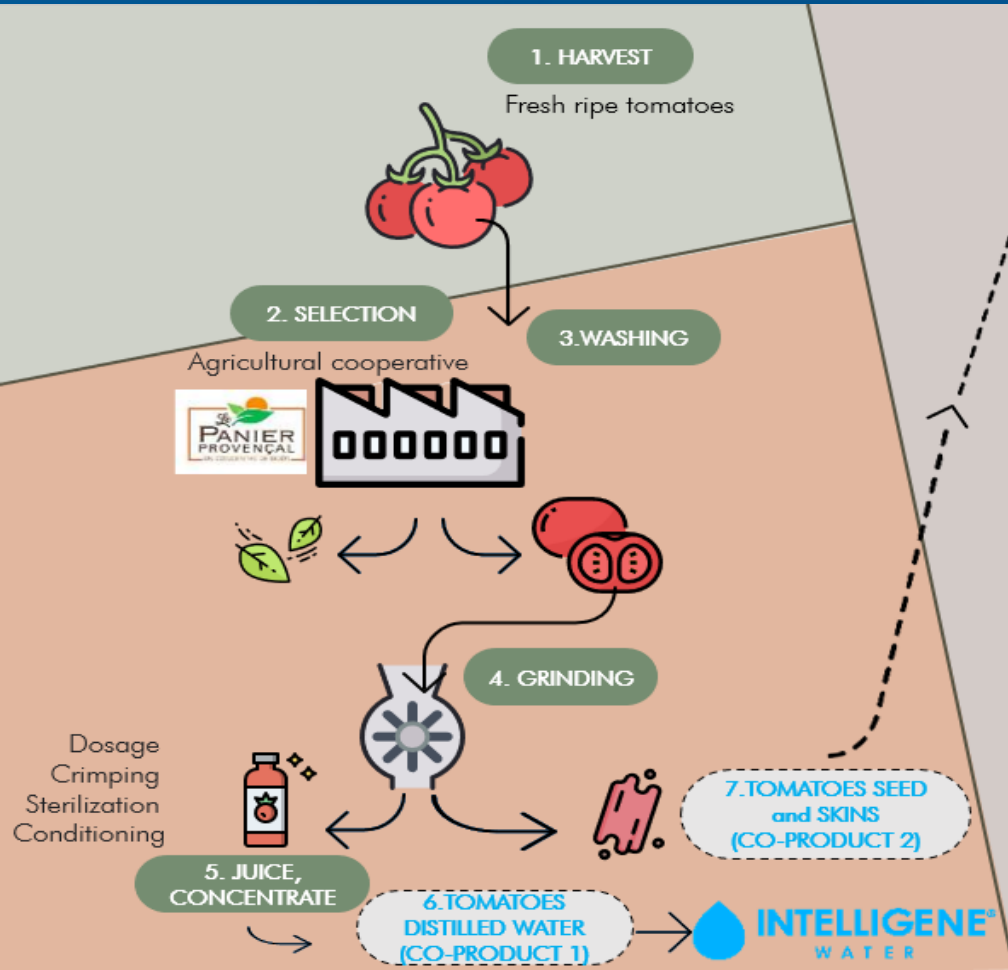

# ORIGIN

- In France, 160 000 T of tomatoes are produced in **Provence** where 14 000T are from **organic** farms (~80% of total organic French tomatoes).
- **Phenix en Provence** is a Joint-Venture between Inaturals and CAPL (Coopérative Agricole de Provence et Languedoc) that is producing and commercializing **INTELLIGENE® range, cosmetic ingredients** obtained from organic tomatoes co-products.
- It is an **exclusive** association between an R&D independent office and French farmers, promoting **science and a local and circular economy**.

# TECHNICAL INFORMATION

INCI: *Solanum Lycopersicum* (Tomato) Seed Oil

## APPLICATION

- Face care
- Body care

## DOSE OF USE

Up to 100%

## SOLUBILITY

Oil Soluble

## ASPECT

Viscous light brown to reddish liquid

## ODOR

Characteristic odor

INTELLIGENE® Oil is a raw material verified by ECOCERT Greenlife, conform to the COSMOS standard.

# COSMETIC APPLICATION

- ...

# POST-SHAVE & ANTI-AGING BALM

To relieve irritation and combat UV damage, we've created a complete product combining INTELLIGENE® WATER and INTELLIGENE® OIL. They soothe and remineralize the skin, protecting it from DNA damage caused by UV rays after exposure to the sun.

In a single step, the balm moisturizes, preventing redness and tightness. Its light, plant-based fragrance provides a sensation of freshness after shaving.
